

In accordance with 91/155/EWG

1. Material preparation and formulation and trade name

Product description

Trade name:

Implants and Supra-Constructions

Order number: various

Manufacturer:

Dr. Ihde Dental AG
Dorfplatz 11
CH-8737 Gommiswald/SG

Informing department:

Telefon: +41 (0)55 293 23 23
contact@implant.com
www.implant.com

2. Composition/information on ingredients

Metal components made from titanium grade 2 or grade 4

3. Possible risks

No risks when the product is used according to specifications. In the rare cases that do occur, proceed as follows:

Change clothes if skin is irritated; wash hands and skin with soap and water.

If eyes are irritated, rinse with water for 15 minutes.

If the product is swallowed or skin irritation persists, consult a doctor.

4. First aid measures

If swallowed: Consult a doctor; otherwise, see number 3.

5. Fire protection measures

The product is made from solid material. It is not self-igniting. Heating can occur at room temperature. If a fire occurs, isolate components made of titanium alloy, if possible. If that is not possible, let the fire burn out. Wear heat resistant clothing. Extinguish with dry salt or type D powder extinguisher. Do not use water, chips or other powders. Explosion risk.

6. Accidental release measures

Not applicable

7. Handling and storage

Not applicable

In accordance with 91/155/EWG

8. Limiting and monitoring exposure/personal protective equipment

Not applicable

9. Physical and chemical properties

General information

Format:	solid
Colour:	Silver-gray metal colour
Odour:	-
Change of state	
Melting point/melting range:	1670 ⁰ C
Boiling point/boiling range:	-
Flash point:	-
Ignition point:	-
Self-ignitability:	-
Explosion risk:	-
Vapour pressure at 20 ⁰ C:	-
Density:	-
Water solubility/miscibility:	-
pH value:	-
Dynamic/kinematic viscosity:	-
Solvent content, organic solvent content:	-

10. Stability and reactivity

No reactions known.

11. Toxicology information

-

12. Ecological information

-

13. Instructions for disposal

Can be disposed of with household waste.

14. Transport information

Land transport ADR/RID and GGVS/GGVE (Germany) (cross-border/domestic)

ADR/RID-GGVS/E-class (Germany):	-
Kemler code	-
UN number:	-
Packaging group:	-
Description of goods:	-

Sea transport IMDG/GGVSee (Germany) -

Air transport ICAO-TI and IATA-DGR (Germany) -

In accordance with 91/155/EWG

15. Regulatory information**EWG labelling requirement:**

No labelling required.

Hazardous components requiring labelling:**Risk statements:**

-

Safety statements:

-

National regulations (Germany):

None

Water hazard class:

None

16. Other information

This information is based on our current level of information and knowledge and does not represent warranty of product characteristics nor justify a contractual legal relationship.
